Exhibitor Photography Order Form

The official WCLC 2023 Photographer is available to photograph exhibit booths.

Upon submission of this form, the Photographer will contact you to set a time for the photography based on his availability, usually before the delegates arrive on any given day.

Generally, 8-12 empty booth shots will be delivered, along with a few from the networking breaks.

Images will be sent electronically via Wetransfer approximately 2 weeks after the conference concludes.
